

“Evaluating and using simple IT tools for Organizational Excellence”

A workshop for Sport Councils & PSOs

Sponsored by New Wavelength

This 1-hour seminar will provide examples of several IT tools, and give criteria to help you evaluate them against the needs of your organization. Examples will feature case studies of simple, free or low-cost, easy-to-use tools for accounting, policy & procedures, calendaring/scheduling, registration, and communication systems.

Jaden Langford (MSc) is a technology consultant, project manager and teacher. His sport background includes athlete and coaching roles as well as 4 years experience at the PSO board level. His accomplishments include: Sport BC President's Award (2006), establishing Victoria Youth Paddling Club (2007), and provincial LTAD implementation (2009).

If your organization employs staff, you may be eligible for funding from the Government of BC to introduce new, innovative technology and strategies.
